Commissioner of Patents and Trademarks Washington, D.C. 20231

SIR:

This is a Response to the Notification of Defective Response mailed August 9, 2002.

The Notification of Defective Response stated that the current oath or declaration is not executed in accordance with 37 CFR 1.66 or 1.68.

In response, Applicants assert that a properly executed declaration and power of attorney was filed in the Patent Office on July 8, 2002, in timely response to the Notification of Missing Requirements Under 35 U.S.C. 371 dated May 14, 2002. Also accompanying the executed declaration and power of attorney was an executed assignment submitted for recordation.

On September 9, 2002, the assignment, which was recorded on July 8, 2002, was returned to Applicants' attorney, Raymond J. Lillie. Also included with the recorded assignment was the original executed declaration and power of attorney, which

inadvertently was recorded along with the assignment.

The original executed declaration is being returned to the Patent Office along with this response. Also accompanying this response is a petition for extension of time for a period of three months to respond to the Notice of Missing Requirements dated May 14, 2002, and a check in the amount of \$1,050.00. Because this response and the executed declaration and power of attorney are being submitted as a result of a mistake on the part of the Patent Office, it is therefore respectfully requested that the amount of \$1,050.00 be refunded to Applicants' attorney.

Respectfully submitted,

Raymond J. Lilfie
